# A plain question a curious reader would ask, as the title

Barry W. Brook (University of Tasmania), with Claude (Anthropic) and OpenAI Codex. Draft of 2026-11-08; a plain-language summary of a living research repository, https://github.com/BWBrook/eprp.

## The puzzle

## Why it is hard

## What we did

## What we found

1. **Finding.**

## What it means

## How this work was done

## Sources
